

STATE ROLL CALLED

BANKERS FROM VARIOUS STATES
VOICE THEIR VIEWS.

Brief and Informal Reports From Delegates Representing Many Localities, as a Rule Include Also a Passing Notice of the Financial Issue in Politics, After Which There is Discussion of Many Questions of Interest to the Banking Fraternity in Particular and the Business World in General.

St. Louis, Sept. 23.—President Pullen was prompt in calling the second day's session of the American Bankers' association convention on order today, but only half the delegates were in their seats when Archbishop J. J. Kane made the opening prayer. They began dropping in after 10:30 o'clock and an hour before noon the banquet was well filled.

The first order of business was the call of the roll of states for reports on the condition of the banking business in various localities. S. H. Harner of Helena, Ark., reported money conditions in his state better since the cotton crop began moving. He deprecated the extent of free silver sentiment in the country and smaller towns, and said the banking interests were doing what they could to stamp it out.

Mr. Lutz of Chicago, after stating that his state had always operated on a gold basis, explained the difficulties of banking in that state. K. Otter of Atlanta, Ga., who took a rap at free silver, reported his state as prosperous.

F. W. Tracy of Springfield, Ill., reported all the Chicago banks as paying their usual 3 per cent quarterly dividends.

J. L. Mulvey of Topeka, John H. Leathers of Louisville, Ky., A. C. Anderson of St. Paul, R. W. Milles of Jackson, Miss.; Dr. W. S. Woods of Kansas City, Messrs. Yates of Lincoln, Neb.; Burridge of Boston, Schirer of Detroit and a number of others made short talks for their respective states, in the course of which they almost invariably put in a word for the gold standard.

Bradford Rhodes of Mamaroneck, N. Y., wound up his remarks by declaring that the empire state would roll up a big majority against free silver at the coming election.

UNDER DISCUSSION.
At the conclusion of the roll call there was a general discussion of the following subjects, which took up a greater part of the day:

Diligent presentation of checks payable at a discount; the law and practice; Discussion of the rule abolishing restrictive endorsements.

Paying of depositors' notes; discussion of practice in different states.

Necessity of uniform laws governing commercial paper; What can the American Bankers' association do to bring about the various state laws into harmony? Is a bank check revocable before presentation for payment? Discussion of the practice in the various states.

Warehouse receipts as collateral; risks in loaning upon them.

The uniformity of holiday laws.

Equality in the taxation of bank stock.

Bank statements; can they be improved?

Recourse of bank against account of an insolvent customer.

Should note exchange be charged on all items? Items that cost to collect.

Is it good banking to pay interest on daily balances?

Is it desirable to have a national bankrupt law?

Is it desirable to have the 10 per cent tax on state bank circulation repealed?

Should not the national banking law provide for the organization of banks of small capital in small towns?

Ought there to be legislation to prevent "killing"?

What is the best method to safeguard bankers' drafts from forgery and alteration?

AFTERNOON SESSION.
The afternoon session of the convention was rather prosy and uninteresting. There were few if any spectators, and less than two score of bankers attended.

Herman Justi of Nashville, Tenn., presented a lengthy paper discussing the question as to whether banks should go on bonds. Mr. Justi took the position that they should not.

A dozen or more subjects regarding the practical and the technical operation of banks were presented and discussed informally.

TRUST COMPANY SECTION.
Auxiliary Organization to the Bankers' Association Being Organized.

St. Louis, Sept. 23.—The special meeting of representatives of trust companies attending the auxiliary section of the American Bankers' association, developed into a most important affair. The purpose of the meeting was for the discussion and adoption of a plan of organization of trust company representatives as an auxiliary section of the American Bankers' association, and the greatest interest was manifested in the meeting, both by the trust company people themselves and the banker delegates to the convention. The meeting was called to order by Brockridge Jones. Mr. Jones explained the object in issuing the call and then the meeting was organized by electing H. H. Dechert of Philadelphia president, and Jones as secretary.

Mr. Dechert, upon taking the chair, made a brief speech setting forth the advantages of organizing a trust company section of the American Bankers' association, and a discussion of the project then followed. The plan was the organization of a body representing the leading trust companies of this country, to meet in conjunction with the annual convention of the bankers' association, but for the purpose of discussing trust company questions and methods solely, leaving purely banking questions to the bankers themselves.

Mr. J. B. Case of St. Louis offered a resolution to the effect that a committee of seven, to consist of the chairman and secretary of the meeting, ex-officio, and of five members to be appointed by the chair, be appointed for the purpose of conferring with the executive council of the bankers' association as to the advisability of organizing a trust company section, and that the same committee be instructed, if the conference proved favorable, to report the same back to this meeting during the present session of the bankers' convention, together with a plan of organization of such section. The motion was adopted and the chair appointed Messrs. Case, Pain, Dudley, Hoderly and Parsons to act with himself and the secretary as such committee.

NO MONEY TO FEED PRISONERS
Ohio Town is Left With No Police Force

Belleville, Ohio, Sept. 23.—All city prisoners have been released for want of money to pay the sheriff for their keeping. The entire police force was discharged for the same reason and the city is now left without any protection whatever, save that of the mayor and marshal. The city has been without a saloon for nine years, but last night the city council voted to leave the question of their right to vote to the people. The action of the council has created much indignation.

DIED BRAVE MEN'S DEATHS
Remarkable Heroism Displayed on the

San Francisco, Sept. 23.—While the story of the loss of the German gunboat Hilde has already been told, the heroic deeds of the crew, which began yesterday, brought additional particulars as to the death of all but eight of her crew.

After the vessel struck on the reef near Southeast Point, Monterey, and began to break up, it was realized by the officers and men that no human efforts could save them. The majority of the crew were gathered at, where Commander Lieutenant Captain Braun, the officer of the watch and Lieutenant Prasse were standing on the bridge.

At the moment of the greatest danger the captain gathered the doomed crew about him and called upon them to give him cheer for the emperor. They were given with a will, and waving their hats at the flag that floated over them, the brave sailors showed their fidelity to the Fatherland and took a farewell of life.

While the cheering was going on the ship broke into near the foremost. The masts toppled and fell as they went down, they crashed through the bridge and swept several of the men into the sea with the tide of rigging.

Just as a big wave was curling toward the lost vessel, Gunner Raehn requested the men to join in singing the national hymn. They grasped each other's hands and with their voices mingling with the howling of the storm they went down to death in the sea.

IT MAY BE THE NARONIO
Shipping Men Perplexed by a Strange Bulk

New York, Sept. 23.—Steamship men are puzzling their brains in an endeavor to establish the identity of a bulk which the British steamer Storm King sighted at about 4,000 fms. The only vessel of that size that has been lost in the North Atlantic within the last four years was the Naronio of the White Star line.

Mr. Dechert, upon taking the chair, made a brief speech setting forth the advantages of organizing a trust company section of the American Bankers' association, and a discussion of the project then followed. The plan was the organization of a body representing the leading trust companies of this country, to meet in conjunction with the annual convention of the bankers' association, but for the purpose of discussing trust company questions and methods solely, leaving purely banking questions to the bankers themselves.
